- Thursday 12th- Parents' evening (booking open tomorrow)
- Thursday 19th – Swimming gala @snowdome

Reception parents are invited to join us for a maths workshop on Thursday the 13th of Feb for an hour from 9:00 am.

Reception and KS1 classes are holding a cake sale on Friday the 14th of February to raise funds to support a trip they have planned. Each child will be able to buy one cake for 20p at morning break on that day, if they would like.

Neverdine

As a conclusion to our fantastic creative week in Neverdine, we replaced our usual star learner assembly with a whole school tour of each other's classes to have a look at what everyone had been up to throughout the week. Each class had set out their creations, displays and videos for the rest of the school to enjoy. There were some amazing finished pieces to be seen, from Reception through to Year 6.

Internet Safety day

All of our children will be discussing how we can make it a better internet and in particular our online identity as part of today's Safer Internet Day 2020.

Half-term holiday club

There are still a few places left on the Thursday and Friday at our holiday club that runs during the February half-term holiday. Registration forms and payment information (payable in advance) is available on Parentpay.

RE

Our RE week got off to a fast start as our both our Y3/4 classes and our Y1/2 classes took it in turns to visit our local church yesterday to find out more about religious symbols (very exciting getting caught in the hail) . Y5/6 will also attend this Wednesday, thanks Reverend Ben for the invites.

Enrichment

Our half-termly enrichment morning/ afternoon (depending on what class you're in) is underway as our children take part in activities to develop a wider range of skills through experiences such as shopping, den building, gardening, composing music, playing board games and flying kites.

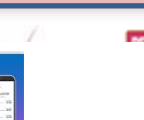

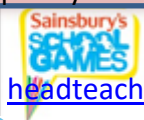

Friends' Disco

All are welcome at tomorrow's disco (6:30-8:00pm) –if your child is in Reception and you are a bit worried about their first time, you're welcome to come and stay with them for some or all of the evening.

Heads up

So as we get to the end of this half term it's hard to imagine that we are already half way through our school year. Still plenty of time though for lots more exciting learning opportunities through spring and summer.
