

September plans

Thank you for taking the time to read through the September models that I shared with you and for sharing your preference via our online survey.

Based on your responses and Governor's agreement we will aim for a full opening in September where children are free to mix with others in their **phase groups**. This means that Reception and Y1 and 2 children will be considered one large bubble that can mix together at school. That will be the same for the children in the three Y3/4 classes and the final bubble will be made up of all the children in the three Y5/6 classes. This means that we should be able to manage staggered starts, breaks, lunches and finishing times without it being completely disruptive to the entire school day.

The start and end time of school will vary for each phase bubble:

Lower Key Stage 2 (Y3/4): 8.45am – 3.00pm

F/Key Stage 1(Y1/2): 8.55am – 3:10pm

Upper Key Stage 2 (Y5/6): 9:05am – 3.20pm

We are planning to start before and after school clubs as soon as the children return and our kitchen will be fully open and serving hot meals for lunch.

Toast will be sold again but we ask that children deposit a £1 in their class pot to pay for the week.

Please don't buy any new school bags for the new term as we will limit the things that children need to bring in to a minimum.

No need for the stationery shop before September –we will provide them with all they need in school

PE kits, including suitable outdoor alternative, will stay in school for a half –term.

To read the full version of our plans please follow these links or visit the Covid-19 section of the school web-site.

Obviously we will be closely monitoring the situation as the summer progresses and I will be in touch with any necessary modifications or additions to our plans.

I will continue to provide further updates nearer the proposed return to school date.

Have a safe summer and I'm really looking forward to seeing everybody together again in September.

Mr Crookes
