Spring term 1

News 6 February 2022

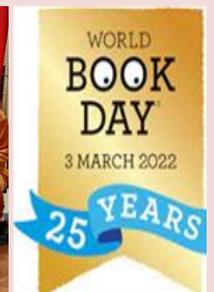

Flarnia

The children looked fantastic coming into school, with some brilliant costumes and make-up, to start our journey through the wardrobe this week. Thank you for all your efforts, it really does make it a special experience for the children. My thanks also to the staff who have worked so hard in transforming their classrooms into a variety of scenes from the Chronicles of Narnia, it really has made the school a magical place to be this week. Fencing and archery (safe style) in PE will really make the stories come to life for the children, even more.

Growing together [National Online Security\(NOS\)](#)

Many of the difficult challenges that children face in modern life are encountered online – but they don't have to overcome those obstacles alone. To tie in with last week's Children's Mental Health Week, our #WakeUpWednesday poster has tips for how young people can also use the digital world to support any friends who may be enduring a tough time. Let's look out for each other out there.
