## Covid guidance

I would just like to share a brief update following the recent changes to the public health guidance on the 24<sup>th</sup> of February. There is no longer a legal requirement for people with coronavirus (COVID-19) infection to self-isolate, however if you have any of the main symptoms of COVID-19 or a positive test result, the public health advice is to stay at home and avoid contact with other people. Close contacts are no longer required to self-isolate or advised to take daily tests, and contact tracing has ended.

## Parents' appointments

We will shortly be opening up booking slots on the Schoolcloud platform that we used last time, for you to arrange a discussion with your child's class teacher. For logistical reasons these are taking place on two different weeks for different teachers, so you may see them marked as not available for one of the weeks.

Don't forget there is a "how to" guide and an explanatory video on the parents section of our school web-site.
