Classes will soon be holding auditions and choosing entries to go through to the whole school final on the last day of term. Maybe your child has a special talent you could encourage them to share with us?

Friends of Florendine PTA

As we move on towards Easter the Friends of Florendine are keen to re-introduce some of the activities and evenings that were regular events before the pandemic. The first of these will be an Easter disco for all of the pupils on Wednesday the 6th of April from 6-7-30pm. Prior to that we will be holding a non-uniform day on Friday the 25th of March, where we will be asking for chocolate donations from each child to go towards the legendary chocolate raffle. This will be drawn on the evening of the disco, although you do not have to be at the disco to claim your prize. Raffle tickets will be available shortly.

Snack and drinks

We seem to have quite a few different types of food items appearing at break. Just a reminder that acceptable break time snacks include fruit (fresh or dried), breadsticks or toast, that is all. Drinks for consumption in class during lessons is just still water please.

Green Team Meeting Bring and Buy sale.

Members of the Green Team will be holding a pre-loved bring and buy sale on the KS2 playground on Friday the 25th of March at 2:30pm. They are asking for good condition donations (not food items) to come into school from next week. Hopefully this will mean that people can pass on things they no longer need/ use, others can pick up a bargain and together we can raise funds for others. This will hopefully raise money that will be split between a local environmental charity and a donation to the Ukrainian emergency relief appeal.
