Above and beyond.

A quick shout out to our Y6 pupils and the accompanying staff who have added an extra hour onto their regular school day, three times a week. These additional sessions give us the chance to cover any areas of learning that may have been compromised by the impact of the pandemic prior to their KS2 SATs in May.

Thanks to your kind donations and the Friends hard work, we now have 15 chocolate hampers ready to be won. Get those tickets sorted, the draw is on Wednesday the 6th. Tickets and the appropriate cash, in a named envelope, need to be back in school by the 5th of April please.

Mothers' day

It was lovely to welcome back more parents into school on Friday, as Reception and KS1 classes hosted a morning of crafts, treasure hunt and thank you assemblies in advance of Mothers' day. The children were delighted to have you with us and to get the chance to let you know how much they appreciate all that you do.

Can you help?

Our after school club are looking for any unwanted scooters and safety helmets that you may not need anymore, as your children have grown out of them. They can always put them to good use.

Green Team

Mrs Cooke and the Green Team would like to thank you all for the amazing support for their first table-top bring and buy sale on Friday. Thanks to your kind donations and purchases, we were able to raise £300 to go towards supporting both the emergency relief fund for the Ukraine and a local environmental charity. The Green Team are hopeful that this is something that will be able to run every term so hopefully it will be happening again in
