Easter break

We hope you managed to have a good Easter break. We had a fantastic last week in school with our first disco for a while, being a tremendous success. The children loved every minute-along with the chocolate raffle which generated additional funds for the Friends to spend in school on all of the children. Thank you F of F for all your efforts.

Enrichment morning

We also had a fantastic day of enrichment activities on the last Thursday with all the classes getting involved in events that wouldn't normally be on the time-table. Our Y5 children, who had been invited to the re-opening of the Birmingham police museum (The lock up) even made it onto the BBC Midlands news. Thanks Mrs Brazier for the invite, much appreciated.

Jubilee Celebrations

On June the 6th, first day back after the half-term break, the school will be spending the day celebrating the Queen's platinum jubilee. We are asking that the children wear as much red, white and blue as possible, for the day and we aim to have a street party style outdoor lunch all together.

Tables Masters

Great efforts from our Y4 pupils prior to their [multiplication tables-check test](#) in June. Another two masters managed to qualify in the last week (one Y5 and another Y4), which is excellent to see.

FGT

So good to all get together again for the finals of Florendine's Got Talent and what a lot of talented children we have at Florendine-It made the judging very difficult. Congratulations to all our competitors and in particular, to Raivo S-G who was the overall winner of FGT 22.

Polling day

I'm afraid the school will be closed for pupils on Thursday the 5th of May as the building is required for use as a local polling station. We will continue with the children's learning using our on-line provision (Seesaw and LBQ) and work will be set for the day.

School office

We're lacking a friendly face in the office this week I'm afraid as Miss Ghafoor is unwell, please be patient if you are trying to get in touch.
