SATsWeek

All of our Y6 pupils are busy showing off all their skills in 4 days of end of Key Stage 2 tests this week. My thanks to the Y6 team for making the week as calm and stress free as possible. Great to see how relaxed and keen our pupils are, taking the event in their stride and giving it their best each day. Nice one Y6.

Y3/4 local history trip

Quite an outing for our Y3/4 pupils as they headed into town to explore Tamworth's local history yesterday. Not only quite a long walk to town but plenty of further exploration when there and then the journey back to school. Some tired legs upon their return but a great day was had by all. I'm sure they slept well last night.

Tables Masters

Great efforts from our Y4 pupils prior to their [multiplication tables-check test](#) in June. Don't forget you can always practise at home before you come on down to try. Click below.

Our teachers are always looking out for outstanding behaviour, work, effort, and kindness. Congratulations this week go to-

- Benjamin W** in Mrs Boyce's
 - Finn L** in Miss Village's

Steel band experience

We are very keen to give the whole school a new musical experience and are looking to book a day of steel drum workshops, that all the classes can take part in. As you can imagine this is quite an expensive experience and we are very grateful that the Friends of Florendine have already agreed to part fund the opportunity. In order to raise the remaining funds required we are going to hold a cake sale in school at break time and after-school on Friday the 20th of May.
