KS2 SATs Week

We couldn't have asked for a better response from our Y6 last week. They all stayed calm, focused and gave each task 100% effort. Not surprising that Friday saw them relaxing after a week of tests. Our thanks to the rest of the school for being so quiet and considerate and to the Y6 team for all their encouragement and support. You should be proud Y6!

KS1 SATs

Next week (Mon-Thurs) it is the turn of our Y2 pupils to demonstrate their skills as they take their KS1 SATs tests. We will do everything we can to make it a relaxed and enjoyable experience for all involved.

Green team minutes-Daisy T
Each class organises their own toy swop shop where children bring in one good condition toy and swop for another. Hopefully reusing like this may save plastic waste from landfill.

Rec/KS1 trip

Our children are getting very exciting about their upcoming trip to the Adventure Farm on Thursday. Just a reminder it is school uniform top, comfy trousers, wellies, or boots. A water bottle, hat and sun cream would also help on a day spent mostly outside.

Eco-school

Here's Sid from our Green Team putting one of his eco-school ideas into action by placing our community drop in bin for recycling, which we are happy to sort and make sure that each object gets to the right place. Next week's whole school Earth week will give the Green team chance to gather plenty of evidence about our whole school commitment and take us closer to achieving full Eco-school status. Great idea Sid, every little thing we can do will makes a difference. The more little things we do the bigger the difference we make.
