Autumn term 1

## Welcome all

So good to have everyone back after the break and to welcome our new Reception children into the Florendine family. The children look great and it's lovely to see just how happy they were to be returning to school or starting school for the first time. We would also like to wish our old Y6, now Year 7s, good luck as they start the next stage of their learning journey.

Our deepest condolences to the Royal Family at this time of mourning. School will be closed on Monday 19<sup>th</sup> of September for the state funeral of Queen Elizabeth II.

## Pets

I love dogs but unfortunately not everyone does. In fact some children are terrified of them. It is because of this that we ask you not to bring your dog, or any pets for that matter, onto school grounds- even if they are being carried. I know yours is probably friendly but please make sure that they remain off site at drop off and pick up.

Our teachers are always looking out for outstanding behaviour, work, effort, and kindness. Congratulations this week go to-

## Photos and social media

Not all of our parents have given permission for their children's pictures to be shared on the internet. Please do not post pictures/videos of other people's children on social media without their permission.

## Tables Masters

Great to see so many keen times-table competitors visiting me straight away, to try and get their medal. If you want to practise don't forget you can always log on and sharpen those skills.

## Y3/4 pick up.

Could parents please wait on the KS2 playground at the end of the day rather than on the path outside classroom doors, as it tends to get too crowded at these points.

## Meal choices

One of the advantages of our school dinner booking system is that we can reduce waste because children can order what they would like to eat each day. It would be really helpful if you could have a discussion with your child about the choices being made. Quite a lot of our children are saying they don't like what has been ordered for them and of course this leads to both food waste and the child not having a full meal. Thanks for your help with this.
