

FLORENDINE PRIMARY NEWSLETTER

Autumn term 1

News 3 September 2022

Macmillan

You should have received a jar/ envelope for any loose silver change to fill and return to school for Friday's coffee morning to donate to Macmillan cancer support. Last year with this collection and the funds raised by our coffee morning we were able to donate an amazing £1,273 to this worthwhile cause. Don't forget to enter the raffle there are some great prizes.

Harvest

As usual we will be collecting items for Tamworth foodbank as part of our Harvest celebrations this year.

Water aid

Hard to believe these facts from the World Health Organisation but unfortunately, they're true.

771 million people don't have clean water close to home.

1.7 billion people don't have a decent toilet of their own.

We are hoping to do something to address this by supporting the charity [Water aid](#) by collecting loose change to help make a change to these statistics. More information about this initiative to come, over the next few weeks.
